

Nicole K. Cates, DPM, AACFAS
2299 Post St., Suite 103, San Francisco, CA 94115
(415) 923-0992
footsurgerysf.com

Practice

10/20 – Pres.

Hand & Microsurgery Medical Group | *San Francisco, CA*

Fellowship Trained Foot and Ankle Surgeon

- Hindfoot & Ankle Reconstructive Surgery, Traumatology, Arthroscopy, Sports Medicine

Fellowship

7/19 – 8/20

University of Maryland Department of Orthopaedics | *Baltimore, MD*

Limb Preservation and Deformity Correction Fellow

Director: Jacob Wynes, DPM, MS, FACFAS

- Forefoot, Hindfoot & Ankle Reconstructive Surgery, Charcot Reconstruction

Residency

6/16 – 6/19

MedStar Georgetown University Hospital Department of Plastic Surgery | *Washington, DC*

Podiatric Medicine and Surgery Resident (PMSR/RRA)

Director: John S. Steinberg, DPM

- Research Committee Chair, 2018-19
- Research Award Recipient 2019

Education

8/12 – 5/16

California School of Podiatric Medicine at Samuel Merritt University | *Oakland, CA*

Doctor of Podiatric Medicine

- Student Body President

8/07–12/10

Clemson University: Honors College | *Clemson, SC*

Bachelor of Arts in Chemistry, Minor in Spanish

- Magna Cum Laude

Licensure and Certifications

2019—pres.

American Board of Foot and Ankle Surgery-August 2019

- Foot Surgery & Reconstructive Rearfoot and Ankle — Qualified

2016 – pres.

DEA Certificate

- Controlled Substance Registration – Schedules 2, 2N, 3, 3N, 4, and 5

2020—pres.

Doctor of Podiatric Medicine

- California Board of Podiatric Medical Examiners License to Practice

2019 – 2020

Doctor of Podiatric Medicine Fellowship

- Maryland Board of Podiatric Medical Examiners License to Practice as a Fellow

2016 - 2019

Doctor of Podiatric Medicine Residency

- Maryland Board of Podiatric Medical Examiners License to Practice as a Resident
- Virginia Board of Medicine License to Practice as a Resident

2017 - pres.

Advanced Trauma Life Support

2014 - pres.

Advanced Cardiac & Life Support / Basic Life Support

2014-2018

American Podiatric Medical Licensing Examination

- Part I: Basic Science Examination, Part II: Clinical Science Examination, Part III: Podiatric Medicine Examination — Passed

Committee Appointments and Scholarly Society Memberships

2021 – 2022

Research Committee Appointed Member *American College of Foot and Ankle Surgeons*

2021 – pres.

Peer-Reviewer *Journal of Foot and Ankle Specialist*

2012 – pres.

Member *American College of Foot and Ankle Surgeons*

2012 – pres.

Member *American Podiatric Medical Association*

Manuscripts

1. Cates NK, Elmarsafi TX, Bunka TJ, Walters ET, Akbari CM, Zarick CS, Evans KK, Steinberg JS, Attinger, CE, Kim, PJ “Peripheral Vascular Disease Diagnostic Related Outcomes in Diabetic Charcot Reconstruction” *The Journal of Foot & Ankle Surgery* November 2019, 58(6): 1058-1063

International Meeting Oral Presentations & Invited Lectures

1. Cates NC, Furmanek J, Dubois KS, Wynes J “Risk Factors and Outcomes after Surgical Reconstruction of Charcot Neuroarthropathy in Fracture versus Dislocation Patterns” Accepted *79th Annual Conference for American College of Foot & Ankle Surgeons May 2021. Manuscript Award: Second Place*
2. Cates NC, Gulati AR, Tenley JD, O’Hara NN, Wynes J, Brandão RA “Screw Length Associated with Fracture Gapping of Fifth Metatarsal Base Fracture with Intramedullary Screw Fixation: A Cadaveric Study” Accepted *79th Annual Conference for American College of Foot & Ankle Surgeons May 2021*
3. “*The Basics of Charcot Reconstruction*” Invited Lecturer at Foot and Ankle Microsurgical Orthoplastic Society of Rosalind Franklin University of Medicine and Science, May 2021, Chicago, IL
4. “*Surgical Techniques of Midfoot Charcot Neuroarthropathy Reconstruction*” Invited Lecturer at Podiatric Medicine & Surgery Symposium, April 2021, San Francisco, CA
5. “*Essentials of Charcot Reconstruction*” Invited Guest Lecturer at Medstar Georgetown University Hospital, March 31, 2021, Washington, DC
6. “*Calcaneal Fractures*” Podiatric Surgery Class Lecturer at California School of Podiatric Medicine at Samuel Merritt University, February 11, 2021, Oakland, CA
7. “*Essentials and Principles of Charcot Reconstruction*” Invited Lecturer at Department of Veterans Affairs Medical Center San Francisco, January 11, 2021, Virtual Meeting
8. “*Essentials of Charcot Reconstruction*” Invited Guest Lecturer at Rochester Regional Health Podiatric Medical School Invited Lecture, April 15, 2020, Virtual Meeting
9. “*Charcot Reconstruction and the Principles of External Fixation*” Invited Lecturer at Western University of Health Science School of Podiatric Medical Invited Lecture, April 8, 2020, Virtual Meeting
10. “*Reconstructive Options in Management of Diabetic Foot and Ankle Ulcerations*” Lecturer at Maryland Podiatric Medical Association 2020 Annual Scientific Meeting, March 2020, Columbia MD.
11. Cates NK, Wagler EC, Bunka TJ, Elmarsafi T, Tefera E, Kim PJ, Liu GT, Evans KE, Steinberg JS, Attinger CE “Outcomes of Surgically Managed Charcot Neuroarthropathy Between Patients With and Without Diabetes” *78th Annual Conference for American College of Foot & Ankle Surgeons Feb 2020, San Antonio TX. Manuscript Award: Honorable Mention*
12. Cates NK, Pandya M, Salerno ND, Akbari CM, Zarick CS, Raspovic KM, Evans KE, Kim PJ, Steinberg JS, Attinger CE “Evaluation of Peripheral Perfusion in the Presence of Plantar Heel Ulcerations Status-Post Transmetatarsal Amputation with Achilles Tendon Lengthening” *78th Annual Conference for American College of Foot & Ankle Surgeons February 2020, San Antonio TX.*
13. “*Diabetic Limb Salvage Case Conference Presentation*” Invited Lecturer at Advances in Vascular Surgery and Endovascular Therapy, May 2019, Baltimore, MD
14. Cates NK, Elmarsafi TX, Akbari CM, Zarick CS, Evans KK, Steinberg JS, Attinger, CE, Kim, PJ “Complications of Charcot Reconstruction in Patients with Peripheral Arterial Disease” *77th Annual Conference for American College of Foot & Ankle Surgeons February 2019, New Orleans, LA*
15. Cates NK, Elmarsafi TX, Bunka TJ, Walters ET, Akbari CM, Zarick CS, Evans KK, Steinberg JS, Attinger CE, Kim, PJ “Peripheral Vascular Disease Diagnostic Related Outcomes in Diabetic Charcot Reconstruction” *8th Annual International Symposium on the Diabetic Foot, May 2019, The Hague, Netherlands*

Poster Presentations

1. “Split Anterior Tibial Tendon Transfer to Dorsal Lateral Foot for Cavovarus Deformities: A Case Series” Accepted to *The National Annual Scientific Meeting of American Podiatric Medical Association, July 2021, Denver, CO*
2. “Retrocalcaneal Enthesiophyte Resection with Functional Lengthening of the Achilles Tendon and Buried Knot Technique: A Case Series” Accepted to *The National Annual Scientific Meeting of American Podiatric Medical Association, July 2021, Denver, CO*
3. “Radiographic Evaluation of Medial Cortical Lines to Determine Osseous and Soft Tissue Contribution in a Hallux Abductovalgus Deformity” Accepted to *The National Annual Scientific Meeting of American Podiatric Medical Association, July 2021, Denver, CO*
4. “Double versus Triple Arthrodesis Fusion Rates: A Systematic Review” Accepted to *The National Annual Scientific Meeting of American Podiatric Medical Association, July 2021, Denver, CO*
5. “A Systematic Review of Angular Deformities in Charcot Neuroarthropathy” Accepted to *The National Annual Scientific Meeting of American Podiatric Medical Association, July 2021, Denver, CO*

6. "Lateral Ankle Stabilization in Midfoot Charcot Stabilization to Prevent Progression to Ankle Charcot Neuroarthropathy" Accepted to *The National Annual Scientific Meeting of American Podiatric Medical Association*, July 2021, Denver, CO
7. "Comparing Rates of Arthrodesis in Ankle Charcot Between Tibiotalocalcaneal Arthrodesis, Tibiocalcaneal Arthrodesis, and Ankle Arthrodesis" Accepted *79th Annual Conference for American College of Foot & Ankle Surgeons* May 2021, Las Vegas NV
8. "Hemoglobin A1C Effect on Postoperative Outcomes After Surgical Reconstruction in Charcot Neuroarthropathy" Accepted *79th Annual Conference for American College of Foot & Ankle Surgeons* May 2021, Las Vegas NV
9. "Risks Factors Associated with Major Lower Extremity Amputation after Vertical Contour Calcanectomy" Accepted *79th Annual Conference for American College of Foot & Ankle Surgeons* May 2021, Las Vegas NV
10. "Peroneal Stabilization via Tightening of the Peroneal Tendon Sheath" Accepted *79th Annual Conference for American College of Foot & Ankle Surgeons* May 2021, Las Vegas NV
11. "Comparing Outcomes in Patients with Heel Ulcerations that Underwent Below the Knee Amputation versus Vertical Contour Calcanectomy" Accepted *79th Annual Conference for American College of Foot & Ankle Surgeons* May 2021, Las Vegas NV
12. "Long Term Functional Outcomes of Internal Pedal Amputation with Staged Reconstruction for the Treatment of Midfoot Charcot with Osteomyelitis" Accepted *79th Annual Conference for American College of Foot & Ankle Surgeons* May 2021, Las Vegas NV
13. "Surgical Treatment of Plantar First Metatarsal Ulcerations in High Risk Patients: A Case Series" *Diabetic Limb Salvage Conference*, April 2021, Washington, DC
14. "Screw Length Associated with Fracture Gapping of Fifth Metatarsal Base Fracture with Intramedullary Screw Fixation: A Cadaveric Study" *Diabetic Limb Salvage Conference*, April 2021, Washington, DC
15. "Risk Factors and Outcomes after Surgical Reconstruction of Charcot Neuroarthropathy in Fracture versus Dislocation Patterns" *Diabetic Limb Salvage Conference*, April 2021, Washington, DC
16. "Percutaneous Imbrication of the Achilles Tendon for the Treatment of Calcaneal Gait: Novel Technique" *Diabetic Limb Salvage Conference*, April 2021, Washington, DC
17. "Utility of Esterified Hyaluronic Acid in Management of Achilles Dehiscence in a High Risk Patient Population" *The National American Podiatric Medicine Association* July 2020, Boston MA.
18. "Safety of Tibia Half Pins for Foot and Ankle Fixation in Patients with Diabetic Neuropathy" *78th Annual Conference for American College of Foot & Ankle Surgeons* February 2020, San Antonio TX.
19. "Multifactorial Comparison in the Charcot Neuroarthropathic Patient with Diabetic versus Non Diabetic Etiology in a 1:2 Risk Adjusted Matched Cohort" *8th Annual International Symposium On The Diabetic Foot*, May 2019, The Hague, Netherlands
20. "Risks for Failure After Osseous Reconstruction In Non-Diabetic Patients With Charcot Neuroarthropathy" *8th Annual International Symposium On The Diabetic Foot*, May 2019, The Hague, Netherlands
21. "Evaluation of Peripheral Perfusion in Heel Ulcerations Status-Post Transmetatarsal Amputation with Tendo-Achilles Lengthening: The Importance of the Peroneal Artery" *8th Annual International Symposium on the Diabetic Foot*, May 2019, The Hague, Netherlands
22. "Use of Lateral Ankle Stabilization in Midfoot Charcot Beaming and Subtalar Joint Fusion to Prevent Calcaneal Varus: Surgical Technique" *Diabetic Limb Salvage Conference*, April 2019, Washington, DC
23. "Impact of Prophylactic TAL with TMA: matched cohort study" *Annual Medstar Research Symposium*, April 2019, Bethesda, MD
24. "Peripheral Vascular Disease Diagnostic Related Outcomes in Diabetic Charcot Reconstruction" *Diabetic Limb Salvage Conference*, April 2019, Washington, DC
25. "The Vertical Contour Calcanectomy, an Alternative Approach to Surgical Heel Ulcers: A Case Series" *77th Annual Conference for American College of Foot & Ankle Surgeons* February 2019, New Orleans, LA,
26. "Comparing Affects of Tendoachilles in Patients Who Underwent a Transmetatarsal Amputation" *77th Annual Conference for American College of Foot & Ankle Surgeons*, February 2019, New Orleans, LA,
27. "Relationships and Outcomes of Peripheral Arterial Disease in Diabetic Charcot Neuroarthopathy" *76th Annual Conference for American College of Foot & Ankle Surgeons*, April 2018, Nashville TN
28. "SMU Motion Analysis Research Center: The Effect of Chronic Ankle Instability on Gait Dynamics and Muscle Activation Patterns During Planned and Unplanned Changes-of-Direction" Student Poster Presentation *74th Annual Conference for American College of Foot & Ankle Surgeons* February 2016, Austin TX
29. "American College of Foot and Ankle Surgeons Conference Student Presentation Plantar Pressure Distribution of the Offloading Football Dressing" Student Poster Presentation *73th Annual Conference for American College of Foot & Ankle Surgeons* February 2015, Phoenix, AZ,

Honors and Awards

2021

Manuscript Award Second Place | *American College of Foot & Ankle Surgeons Conference*

2021 Poster Award Third Place | *American College of Foot & Ankle Surgeons Conference*
 2020 Manuscript Honorable Mention | *American College of Foot & Ankle Surgeons Conference*
 2019 Research Award Recipient | *Medstar Washington Hospital Center Residency*
 2012-2016 Presidents Scholarship of Podiatry Recipient | *California School of Podiatric Medicine*
 2015 CSPM Alumni and Associates Scholarship | *California School of Podiatric Medicine*
 2015 Earl G. Kaplan, DPM Scholarship | *California School of Podiatric Medicine*
 2014 California Foundation for Excellence | *California School of Podiatric Medicine*
 2014 PMEAC SMU Alumni and Associates | *California School of Podiatric Medicine*
 2014 APMA Ortho-McNeil Pharmaceutical Scholarship | *California School of Podiatric Medicine*

Labs and Advanced Training

Feb 2020 ACFAS Annual Meeting | San Antonio, TX
 Nov 2019 Smith & Nephew Essentials of Talar Spatial Frame Course | Miami, FL
 Aug 2019 Cadence Total Ankle Certification Course | Annapolis, MD
 Aug 2019 Six Axis Deformity Correction Certified | Baltimore, MD
 Aug 2019 Ponseti Casting Certified | Baltimore, MD
 Aug 2019 Baltimore Limb Deformity Course | Baltimore, MD
 May 2019 International Symposium on the Diabetic Foot | The Hague, Netherlands
 April 2019 Diabetic Limb Salvage Conference | Washington, DC
 April 2019 Medstar Research Symposium | Bethesda, MD
 Feb 2019 ACFAS Annual Meeting | New Orleans, LA
 Aug 2018 Baltimore Limb Deformity Course | Baltimore, MD
 April 2018 Diabetic Limb Salvage Conference | Washington, DC
 Aug 2018 AAFAO Advanced: Skeletal Fixation of the Foot and Ankle
 June 2018 ACFAS Arthroscopy Course
 May 2018 Maryland Podiatric Medical Association Scientific Conference
 Feb 2018 ACFAS Annual Meeting | Nashville, TN
 Aug 2017 AAFAO Basic: Comprehensive Course of Internal Fixation | Dallas, TX
 July 2017 Telluride Emerging Leaders in Patient Safety
 April 2017 Diabetic Limb Salvage Conference | Washington, DC
 Feb 2016 ACFAS Annual Meeting | Austin, TX
 Feb 2015 ACFAS Annual Meeting | Phoenix, A

Residency Experience

- Hospital based inpatient and elective outpatient podiatric surgery (11 months)
- Plastic surgery & diabetic limb salvage at Georgetown University Hospital with Dr. Christopher Attinger, MD (4.5mns)
- “Mini Fellowships” Lawrence Rubin, DPM (focus on rearfoot reconstruction and arthroscopy); Jacob Wynes, DPM (focus on Charcot reconstruction, external fixation, and complex limb deformity), Gary Feldman, DPM (focus on sports medicine and elective reconstructive surgery), Daniel Perez, DPM (focus on trauma) (6 months)
- Kaiser multi-disciplinary surgical rotation with podiatric, orthopaedic, and plastic surgery (4.5 months)
- Orthopaedic surgery and trauma at a level I trauma center (3 months)
- Pediatric orthopaedic surgery at Children’s National Hospital with Dr. Laura Tosi, MD (6 weeks)
- Internal medicine and subspecialties including general surgery (at level 1 trauma center) vascular surgery, endocrinology, musculoskeletal radiology, anesthesia, infectious disease, pathology, psychology (5.5 months)
